REMOVAL FROM TATA TRUSTS

Mistry gears up for legal battle, calls for 'a fair hearing'

GEORGE MATHEW
Mumbai, November 3

INDUSTRIALIST MEHLI MISTRY has filed a caveat petition before the Maharashtra Charity Commissioner, requesting that he be given "a fair hearing" before any formal move is made to remove him as a trustee of Tata Trusts. While the caveat, a pre-emptive legal measure, ensures that the court or the Charity Commissioner cannot pass any order against him without first giving him an opportunity to present his side, Mistry is understood to have got the support of Ratan Tata's half-sisters.

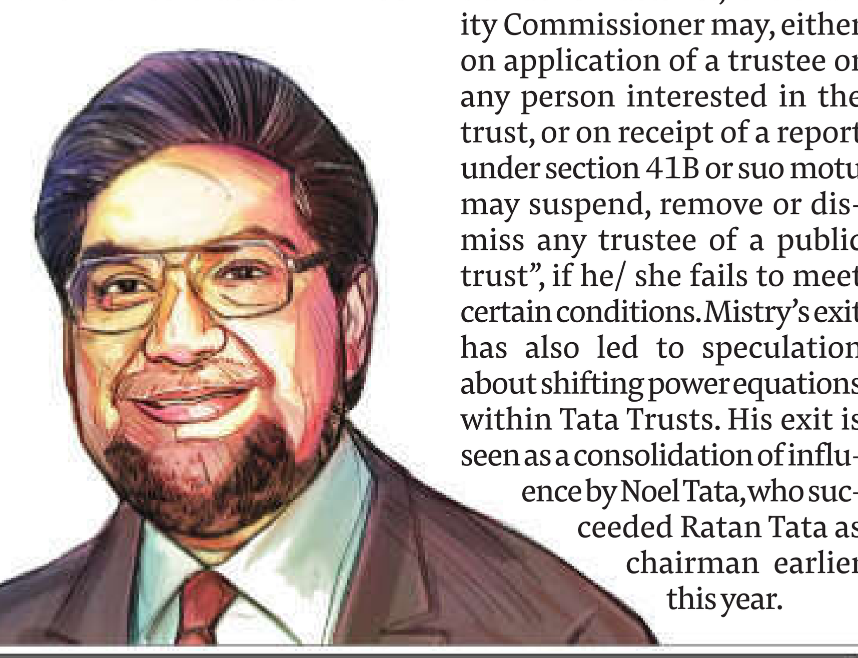
Mistry's challenge could complicate the plans of the Noel Mistry camp, potentially leading to another high-profile legal tussle. It's learnt that half-sisters of Ratan Tata, Shireen and Deanna Jeejeebhoy, are supporting Mistry and had gone on record expressing displeasure over the developments. Darius Khambata, a senior lawyer and a close associate of Mistry, Shireen, Deanna and Mistry are the executors of Ratan Tata's will. Khambata, who voted for Mistry, is on the board of both Sir Ratan Tata Trust and Sir Dorabji Tata Trust.

The stand of Jimmy Tata, brother of Ratan Tata, is not clear. Pune-based Jimmy Tata, who is on the board of Sir Ratan Tata Trust, did not vote in the proposal for renomination of Mehli Mistry last week. He has never voted in any of the resolutions relating to Tata companies and even abstained from the voting for the removal of Cyrus Mistry in 2016-17. According to a source familiar with the development, copies of the caveat have also been served to all trustees of Tata Trusts, including Chairman Noel Tata, on Friday. The filing underscores Mistry's determination to challenge what he considers "an unjust and procedurally flawed decision" regarding his continuation on the board of the Tata Trusts which own the majority 66% stake in Tata Sons, the holding company of the Tata Group. Mistry and Tata Trusts didn't respond to email queries.

Legal experts say that by filing a caveat, Mistry has effectively placed himself in a position to contest both the procedure and the grounds of his removal. It also signals that the matter could escalate into a wider legal confrontation, potentially revisiting issues of governance, transparency and trustee rights within the Trusts.

Mistry's move follows a crucial meeting on October 28, when three trustees — Noel Tata, industrialist Venu Srinivasan, and former Defence Secretary Vijay Singh — voted against his reappointment, thereby preventing his continuation as a trustee. Pramit Jhaveri, Khambata and Jehangir HC Jehangir are supporters of Mistry. The Charity Commissioner's approval is required before any formal changes are made in the Trusts' composition, given their registered status as public charitable entities under the Maharashtra Public Trusts Act. Once Tata Trusts communicate the board's decision to the Commissioner's office, the process for Mistry's formal removal will be initiated. However, Mistry's caveat ensures that he must be heard before any such step is taken. While a caveat doesn't initiate litigation, it prevents one-sided orders. In this case, Mistry wants to ensure that no unilateral step is taken by the Trusts without giving him a chance to defend his position.

According to the Maharashtra Public Trusts Act, "the Charity Commissioner may, either on application of a trustee or any person interested in the trust, or on receipt of a report under section 41B or suo motu may suspend, remove or dismiss any trustee of a public trust", if he/ she fails to meet certain conditions. Mistry's exit has also led to speculation about shifting power equations within Tata Trusts. His exit is seen as a consolidation of influence by Noel Tata, who succeeded Ratan Tata as chairman earlier this year.



ED's ₹7,545-cr blow to Anil Ambani group

FE BUREAU
New Delhi, November 3

MOUNTING PRESSURE

- The Enforcement Directorate has attached 30 properties of Reliance Infrastructure
- Around 43 properties linked to the group in East Godavari, Pune, Thane, Mumbai, Noida, Delhi, Hyderabad, and Goa were attached
- Firm says ED action has no impact on operations
- Land parcels in Ghaziabad/Noida and 29 flats in Chennai valued at **₹109.61 cr** were also attached
- The ED's action comes as part of a probe into bank fraud cases involving RCOM, RHFL, and RCFL

THE ENFORCEMENT DIRECTORATE (ED) on Monday said its special task force has provisionally attached over 132 acres of land in Dhirubhai Ambani Knowledge City in Navi Mumbai, worth ₹4,462.81 crore, as part of an alleged money-laundering probe against the group. The agency also attached properties at Pali Hill, popularly known as the Ambani family's residence, Reliance Centre in New Delhi, and multiple properties linked to the Anil Ambani-led Reliance Group, with a combined value of over ₹7,545 crore.

The enforcement agency also attached 30 properties of Reliance Infrastructure, five of Adhar Property Consultancy, four of Mohanbir Hi-tech Build, and one property each of Gamesa Investment Management, Vihaan43 Realty (earlier known as Kunjbihari Developers), and Campion Properties. Around 43 properties linked to the group in East Godavari, Pune, Thane, Mumbai, Noida, Delhi, Hyderabad, and Goa were also attached by the agency. Land parcels in Ghaziabad/Noida and 29 flats in Chennai (Adyar/OMR-Kottivakkam) valued at ₹109.61 crore (equivalent value) were also attached, the agency said.

The ED said four orders under the Prevention of Money Laundering Act were issued on October 31 to carry out the attachment exercises.

In a statement on Monday, Reliance Infrastructure said: "There is no impact on the business operations, shareholders, employees or any other stakeholders of the company." Anil D. Ambani has not been on the board of Reliance Infrastructure for more than 3.5 years, the company added.

The ED's action comes as part of a probe into alleged bank fraud cases involving Reliance Communications (RCOM), Reliance Home Finance (RHFL), and Reliance Commercial Finance (RCFL).

The agency said that Yes Bank had invested ₹2,965 crore in RHFL instruments and ₹2,045 crore in RCFL instruments during 2017–2019. "These turned into non-performing investments by December 2019, with ₹1,353.50 crore (then) outstanding for RHFL and ₹1,984 crore for RCFL," the ED said.

The probe found that RHFL and RCFL received public funds of more than ₹10,000 crore. "A large amount came from Yes Bank. Before Yes Bank invested this money in Reliance Anil Ambani Group companies, the bank had received huge funds from the erstwhile Reliance Nippon Mutual Fund. As per Sebi regulations, Reliance Nippon Mutual Fund could not invest or divert funds directly into Anil Ambani Group finance companies due to conflict-of-interest rules. Therefore, public money in mutual fund schemes was routed indirectly through Yes Bank's exposures. The public funds reached Anil Ambani Group companies through a circuitous route," the ED said.

So far, the ED has detected "fraudulent diversion" of public money by various Anil Ambani Group companies, including RCFL, RHFL, RIL, and Reliance Power.

Choksi challenges extradition in Belgian apex court

ABHISHEK SHUKLA
New Delhi, November 3

FUGITIVE DIAMANTAIRE MEHUL Choksi has challenged before the Supreme Court of Belgium the October 17 order of the Antwerp Court of Appeals, which had termed India's request seeking his extradition "enforceable", officials said Monday.

In response to queries sent by the *PTI*, the public prosecutor at the Court of Appeal in Antwerp said Choksi filed an appeal in the Court of Cassation on October 30.

"This appeal is strictly limited to legal merits and will be judged by the Court of Cassation. During this procedure, the execution of the extradition is suspended," Ken Witpas said.

The Court of Cassation is the Supreme Court of Belgium.

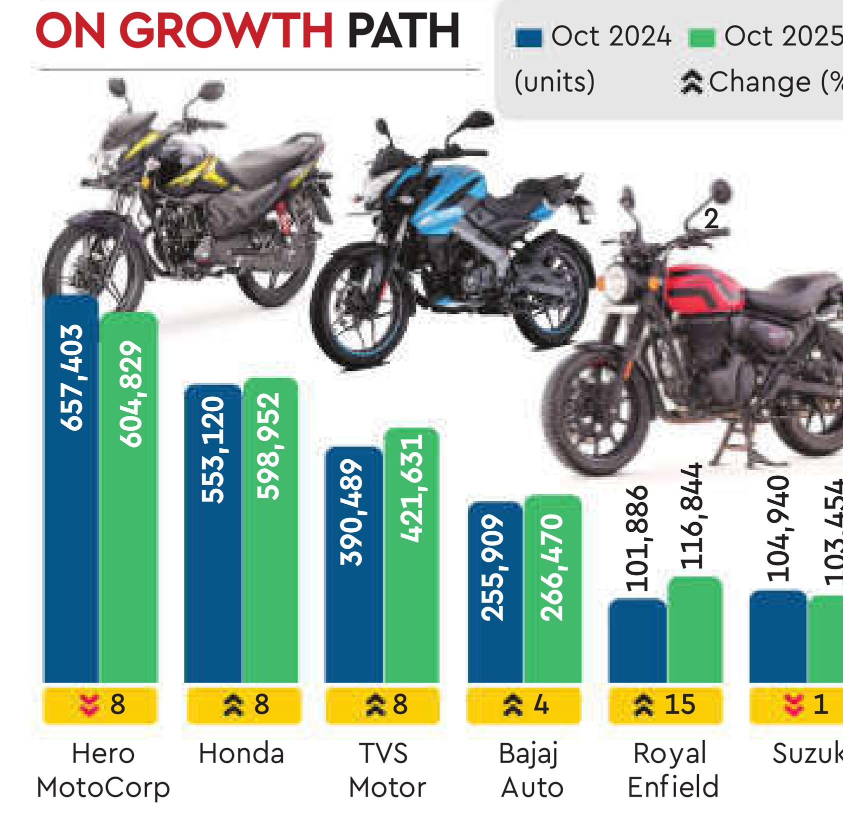
On October 17, a four-member indictment chamber at the Court of Appeals in Antwerp found no infirmity in the orders issued by the pre-trial chamber of the district court on November 29, 2024, terming the arrest warrants issued by a Mumbai special court in May 2018 and June 2021 as "enforceable", allowing Choksi's extradition.

The Court of Appeals ruled that fugitive Choksi, the main accused in a ₹13,000-crore PNB scam, faces "no risk" of being denied a fair trial or subjected to ill-treatment if he is extradited to India. Of the ₹13,000-crore scam, Choksi alone has siphoned off ₹6,400 crore, the CBI has alleged. **—PTI**

Oct two-wheeler sales up 2%

NITIN KUMAR
New Delhi, November 3

ON GROWTH PATH



THE TWO-WHEELER industry saw a modest uptick in October, with total domestic wholesales touching 2.11 million units, a 2% rise from 2.06 million in the same month last year. The improvement marked the second consecutive month of growth following the GST rate cut.

Most leading manufacturers, barring Hero MotoCorp and Suzuki Motorcycle, reported positive momentum. Honda Motorcycle & Scooter India (HMSI) and TVS Motor Company led the charge, each recording 8% growth. HMSI's sales climbed to 598,952 units from 553,120 units last October, driven by renewed demand for scooters and commuter motorcycles. TVS, meanwhile, sold 421,631 units compared to 390,489 units a year ago.

Bajaj Auto maintained steady gains with a 4% rise to 266,470 units from 255,909 units last year. Royal Enfield continued its upward trajectory with a 15% jump, selling 116,844 units against 101,886 units in October 2024. Suzuki Motorcycle India, however, slipped marginally by 1%, reporting 103,454 units compared to 104,940 units a year ago, indicating pressure in the highly competitive 125cc and scooter segments.

Hero MotoCorp reported an 8% decline in dispatches to 604,829 units from 657,403 units in October 2024. The company appeared to be recalibrating its wholesale volumes following strong festive sales, aligning dealership inventory with actual retail movement. Data from the Vahan portal showed retail registrations holding firm at 995,000 units. The company said it remains confident of sustained momentum through the remainder of FY26, on the back of its upcoming product launches and improving rural sentiment.

Adani Power opts for arbitration to settle disputes with Bangladesh

SETHURAMAN N R & RUMA PAUL
New Delhi/Dhaka, November 3

ADANI POWER SAID on Monday it has opted for an international arbitration process to resolve disputes over Bangladesh's power supply payments.

The Gautam Adani-led company has been at loggerheads with Bangladesh Power Development Board over pending payments for the electricity it supplies as part of a pact that both sides had signed in 2017.

"There are disagreements in the way certain cost elements are calculated and billed. Hence, both partners have agreed to invoke the dispute resolution process and are confident of a quick, smooth and mutually beneficial resolution," an Adani Group spokesperson said in a statement.

However, Bangladesh's de-facto power minister Muhammad Fouzul Kabir Khan told *Reuters* that negotiations are still on. "Once that process is over, we will move toward international arbitration, if needed," he said.

Adani Power supplies electricity from its coal-fired 1,600 megawatt Godda power plant in eastern India, which meets nearly a tenth of Bangladesh's power needs.

Bangladesh's interim government had accused Adani of breaching the power purchase agreement by withholding tax benefits that the Godda plant got from India, *Reuters* reported in December.

Bangladesh paid Adani a tariff of 14.87 taka ($0.1220) per unit during the fiscal year to June 30, 2024, higher than an average of 9.57 taka for power supplied by other Indian companies. **—REUTERS**

RBL BANK LIMITED

Corporate Identification Number (CIN): L65191PN1943PLC007308
Registered Office: 1st Lane, Shahupuri, Kolhapur, Maharashtra, 416001; **Tel:** 022-43020600; **Website:** www.rbl.bank.in

Open offer for acquisition of up to 415,586,443 (four hundred fifteen million five hundred eighty-six thousand four hundred forty-three) fully paid-up equity shares of face value of ₹10 (ten rupees) each ("Equity Shares") of RBL Bank Limited ("Target Company"), representing 26.00%* (twenty-six per cent.) of the Expanded Voting Share Capital of the Target Company from the Public Shareholders by Emirates NBD Bank (P.J.S.C.) ("Acquirer") pursuant to and in compliance with the requirements of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended (the "SEBI (SAST) Regulations") (the "Open Offer"/"Offer"). No person is acting in concert with the Acquirer for the purpose of the Open Offer.

The Open Offer size is subject to a proportionate reduction in accordance with the first proviso to Regulation 7(4) of the SEBI (SAST) Regulations, such that the resulting shareholding of the Acquirer on completion of the Open Offer and the Underlying Transaction does not exceed 75.00% of the Expanded Voting Share Capital.

This corrigendum to the Public Announcement (*as defined below*) and Detailed Public Statement (*as defined below*) ("**Corrigendum**") is being issued by J.P. Morgan India Private Limited, the manager to the Open Offer ("**Manager**" or "**Manager to the Open Offer**"), for and on behalf of the Acquirer in respect of the Open Offer, pursuant to and in compliance with the SEBI (SAST) Regulations.

This Corrigendum should be read in continuation of, and in conjunction with the: (a) public announcement dated 18 October 2025 in relation to the Offer ("**Public Announcement**"); and (b) detailed public statement dated 27 October 2025 in relation to the Offer, that was published in Financial Express (all editions), Jansatta (all editions) and Tarun Bharat (Kolhapur edition) on 28 October 2025 and Tarun Bharat (Mumbai edition) on 29 October 2025 ("**Detailed Public Statement**"). This Corrigendum is being published in all the newspapers in which the Detailed Public Statement was published.

Capitalised terms used but not defined in this Corrigendum have the meaning assigned to them in the Detailed Public Statement, unless otherwise specified.

As on the date of the Detailed Public Statement, to the best of the knowledge of the Acquirer, there were no statutory approvals required to acquire the Offer Shares that are validly tendered pursuant to the Open Offer and/or to complete the Underlying Transaction, except for the Required Statutory Approvals as set out in the Public Announcement and Detailed Public Statement i.e.: (i) the Acquirer and the Target Company having obtained the RBI Approvals (as applicable); (ii) the Acquirer having received the CCI Approval; (iii) the Acquirer having obtained the Dual Presence Approval; (iv) the Acquirer having obtained the CBUAE Approval; (v) the Acquirer having obtained the DPIIT Approval; and (vi) the Target Company having obtained the Foreign Shareholding Restriction Approval.

Given the substantial direct and indirect shareholding of residents of the United States of America ("**U.S.**") in the Target Company, the Acquirer, if applicable, may need to apply to the U.S. Securities and Exchange Commission ("**SEC**") to seek an exemption from certain rules under the Securities Exchange Act of 1934 (as amended). Due to differences between relevant legal and regulatory requirements and customary tender offer practices in India and in the United States, the Acquirer may be required to request exemptive relief from the SEC in order to allow the Offer to be made to U.S. Public Shareholders without breaching the rules under the Securities Exchange Act of 1934 (as amended).

The Acquirer intends to submit a 'no-action request letter' to the SEC to seek such exemptions. Hence, the approval and exemption of the SEC shall be a statutory approval to be required by the Acquirer prior to the commencement of the Tendering Period, if applicable.

In view of the above, please note that the grant of no-action relief and/or exemptive relief from the SEC in order to allow the Open Offer to be made to U.S. holders of Equity Shares without breaching the applicable law and regulations under the Securities Exchange Act of 1934 (as amended), if applicable, forms part of the Required Statutory Approvals, as set out in the Public Announcement and Detailed Public Statement, in addition to the approvals set out in the Public Announcement and Detailed Public Statement.

Accordingly:

1. the definition of the term "Required Statutory Approvals" in the opening sub-paragraph (o) of the third paragraph of the Public Announcement and referred to in paragraph 1.1 of Section I (*Offer Details*), footnote 1 to the table under paragraph 2.5 of Section 2 (Transaction which has triggered the Open Offer obligations (the "*Underlying Transaction*")), paragraph 6.2 and paragraph 6.7 under Section 6 (*Other Details*) of the Public Announcement shall stand amended accordingly to include "grant of no-action relief and/or exemptive relief from the U.S. Securities and Exchange Commission in order to allow the Open Offer to be made to U.S. holders of Equity Shares without breaching the applicable law and regulations under the Securities Exchange Act of 1934 (as amended), if applicable" as a statutory approval in relation to the Offer; and
2. the definition of the term "Required Statutory Approvals" in the opening sub-paragraph (s) of the third paragraph of the Detailed Public Statement and referred to in paragraph 2 of Section I(C) (*Details of the Offer*), footnote 1 to the table under paragraph 6 and paragraph 7(ii)(a) of Section II (*Background to the Offer*) and paragraphs 1, 2 and 3 of Section VI (*Statutory and Other Approvals*) of the Detailed Public Statement shall stand amended accordingly to include "grant of no-action relief and/or exemptive relief from the U.S. Securities and Exchange Commission in order to allow the Open Offer to be made to U.S. holders of Equity Shares without breaching the applicable law and regulations under the Securities Exchange Act of 1934 (as amended), if applicable" as a statutory approval in relation to the Offer.

Footnote 6 of paragraph 2.5 of Section 2 (Transaction which has triggered the Open Offer obligations (the "*Underlying Transaction*")) of the PA; footnote 6(b) of paragraph 6 of Section II (*Background to the Offer*) of the DPS; paragraph 7(iii)(g)(3) of Section II (*Background to the Offer*) of the DPS; and the first sentence of paragraph 2 of Section VI (*Statutory and Other Approvals*) of the DPS shall stand amended and restated as under:

1. If the aggregate foreign investment limits of the Target Company as on the date of (and immediately prior to) the closure of the Open Offer are not sufficient enough to enable the Acquirer to acquire a minimum of 51.00% (fifty-one per cent.) of the issued and paid up equity share capital of the Target Company, factoring the following: (a) subscription to the Subscription Shares; and (b) the acquisition of the Tendered Shares, then the Acquirer shall be entitled to terminate the Investment Agreement and will apply to SEBI for withdrawal from the Open Offer.

The table in Section III(1) of the DPS (*Shareholding and Acquisition Details*) shall stand amended and restated as under:

(3) The minimum number of Equity Shares to be acquired by the Acquirer under the Investment Agreement will depend on the issued and outstanding equity share capital of the Target Company upon completion of the Underlying Transaction, depending on the change in the equity share capital of the Target Company on account of any exercise of vested employee stock options during the offer period of the Open Offer as well as the number of Tendered Shares and the level of foreign shareholding in the Target Company immediately prior to the completion of the Underlying Transaction.
