Pursuant to the provisions of Regulation 23 of SEBI Listing Regulations, read with the applicable provisions of the Companies Act, 2013 (“Act”) and the rules framed thereunder, and in accordance with the Company’s Policy on Related Party Transactions, all material related party transactions require prior approval of the shareholders of the Company by way of an ordinary resolution, even if such transactions are in the ordinary course of business of the Company and at an arm’s length basis.

Further in terms of Regulation 23 of the SEBI Listing Regulations and the aforesaid Policy, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 Crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Considering that the annual consolidated turnover of the Company as on March 31, 2025 was Rs. 544.76 Crore, the materiality threshold for seeking shareholders' approval for related party transactions of the Company is Rs. 54.48 crore (Rupees Fifty-Four Crore and Forty-Eight Lakh Only) ("**Materiality Threshold**"). The said limit is applicable even if the transactions are in the ordinary course of business and at an arm's length basis.

Further, as per Regulation 2(1)(zc) of the SEBI Listing Regulations, the definition of Related Party Transaction ('RPT') includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution No. 8 is placed for the approval of the Members of the Company.

Item No. 10

Pursuant to the provisions of Regulation 23 of SEBI Listing Regulations, read with the applicable provisions of the Companies Act, 2013 (“Act”) and the rules framed thereunder, and in accordance with the Company’s Policy on Related Party Transactions, all material related party transactions require prior approval of the shareholders of

the Company by way of an ordinary resolution, even if such transactions are in the ordinary course of business of the Company and at an arm's length basis.

Further in terms of Regulation 23 of the SEBI Listing Regulations and the aforesaid Policy, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 Crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Considering that the annual consolidated turnover of the Company as on March 31, 2025 was Rs. 544.76 Crore, the materiality threshold for seeking shareholders' approval for related party transactions of the Company is Rs. 54.48 crore (Rupees Fifty-Four Crore and Forty-Eight Lakh Only) ("**Materiality Threshold**"). The said limit is applicable even if the transactions are in the ordinary course of business and at an arm's length basis.

Further, as per Regulation 2(1)(zc) of the SEBI Listing Regulations, the definition of Related Party Transaction ('RPT') includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution No. 10 is placed for the approval of the Members of the Company.

Background, details and benefits of the transaction

Mr. Mangal Chand Teltia, Director and one of the Promoters of the Company, holds 4.10% of the equity share capital of the Company.

Mr. Mangal Chand Teltia, being a Director and Promoter of the Company, is engaged in various related party transactions with the Company, including providing loans, finance cost, director sitting fees, reimbursement of expenses and also extends personal guarantees in favour of lenders to support the Company's borrowing requirements from time to time.

The aggregate value of the Related Party Transactions with Mr. Mangal Chand Teltia has been proposed up to an amount not exceeding Rs. 506 crore (Rupees Five Hundred Six Crores Only) for the approval of the shareholders. The Company has undertaken similar transactions with Mr. Mangal Chand Teltia in the past also, after obtaining requisite approvals of the Audit Committee, the Board of Directors and the shareholders, as applicable. The proposed transaction limits are estimated based on historical transaction trends, existing contractual arrangements and anticipated business requirements.

The proposed transactions are essential for ensuring operational support, access to funding and financial flexibility, thereby enabling continuity of operations and cost optimisation for the Company. Accordingly, the proposed recurring transactions with Mr. Mangal Chand Teltia are considered to be in the best interest of the Company.

Rationale/ benefits of the transaction

The Company is witnessing significant growth in its EPC operations and is simultaneously expanding its footprint in the Battery Energy Storage System (BESS) segment, necessitating immediate and substantial funding support

towards its working capital and capital expenditure requirements. The proposed arrangement will facilitate timely access to financing to support such expansion and operational needs.

Further, the said arrangement will ensure availability of adequate working capital and requisite fund-based and non-fund-based credit facilities, which are critical for the timely execution of EPC and BESS projects.

The provision of such support also reflects the Promoter's continued commitment to, and confidence in, the Company's growth strategy and long-term business prospects

Manner of Determination of Consideration

The personal guarantee proposed to be provided by Mr. Mangal Chand Teltia shall be extended on terms determined on an arm's length basis, having regard to prevailing market practices and commercial considerations applicable to similar guarantee arrangements. The terms of such guarantee are expected to be more favourable than those generally available from external lenders and third-party guarantors. In determining the same, due consideration shall be given to the overall commercial benefits to the Company, including optimization of the overall cost of borrowing and financial flexibility. The same is justified considering that the Company is presently in a growth phase, and such arrangement would avoid additional financial burden on the Company. Further, the Promoter, being a significant shareholder, has a vested interest in the long-term growth and value creation of the Company. However, such guarantee commission may be waived off by the Audit Committee and the Board of Directors, considering the Company's growth requirements and in the interest of optimizing its borrowing costs.

Further, the consideration for the proposed loan from the Promoter, including the rate of interest, shall be determined on an arm's length basis, having regard to prevailing market rates for comparable secured or unsecured borrowings, as well as the tenure and quantum of the loan and other relevant commercial considerations.

The terms of the loan, including pricing, are expected to be more favourable than those available from external lenders such as banks and financial institutions. In determining the same, due consideration shall be given to the overall commercial benefits to the Company, including flexibility in repayment terms, minimal or no requirement of security, and the resultant optimization of the overall cost of borrowing.

Item No. 11

Pursuant to the provisions of Regulation 23 of the SEBI Listing Regulations, a related party transaction above rupees one crore, whether entered into individually or taken together with previous transactions during a financial year, to which the subsidiary of a listed entity is a party but the listed entity is not a party, shall require prior approval of the audit committee of the listed entity if the value of such transaction above rupees one crore and whether entered into individually or taken together with previous transactions during a financial year, exceeds the lower of the following:

- (i) ten percent of the annual standalone turnover of the subsidiary as per the last audited financial statements of the subsidiary; or
- (ii) the threshold for material related party transactions of listed entity as specified in Schedule XII of SEBI Listing Regulations.

and in the event any such Related Party Transaction exceeds the prescribed materiality thresholds of listed entity, prior approval of the shareholders of the listed entity shall also be required.

Further in terms of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Accordingly, the materiality threshold for seeking shareholders' approval of the Company for the related party transactions to which the subsidiary of a listed entity is a party but the listed entity is not a party is Rs. 54.48 crore (Rupees Fifty-Four Crore and Forty-Eight Lakh Only). The said limit is applicable even if the transactions are in the ordinary course of business and at an arm's length basis.

Further, as per Regulation 2(1)(zc) of the SEBI Listing Regulations, the definition of Related Party Transaction ('RPT') includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution No. 11 is placed for the approval of the Members of the Company

Background, details and benefits of the transaction

ZNSHINE Solarworld Private Limited (“ZNSHINE”) is a wholly owned subsidiary of Solarworld Energy Solutions Limited (“the Company”/“Solarworld”) and Pioneer Facor IT Infradevelopers Private Limited (“PFIPL”), Mr. Kartik Teltia, and Mr. Rishabh Jain, are related parties of ZNSHINE, in terms of the applicable provisions of the Companies Act, 2013 read with the applicable rules framed thereunder and Regulation 2(1)(zb) of the SEBI Listing Regulations.

ZNSHINE is primarily engaged in the business of manufacturing of solar photovoltaic modules and has commenced its commercial operations in the recent financial year. The said entity has been incorporated as part of Solarworld’s strategic backward integration initiative, with an objective to strengthen its value chain, ensure operational efficiencies, and achieve greater control over the procurement and manufacturing of key components required for its solar business. Such integration is expected to enhance cost optimisation, supply chain stability and long-term value creation for the Solarworld group.

Given that ZNSHINE is in the initial phase of its operations, it requires continuous financial support for meeting its capital expenditure, working capital requirements and other operational needs. In this regard, ZNSHINE proposes to avail financial assistance from time to time from various lenders, including banks and financial institutions, for which adequate credit support mechanisms are required to be established.

PFIPL, promoter entity of Solarworld and Mr. Kartik Teltia and Mr. Rishabh Jain, being promoters and directors of Solarworld and ZNSHINE (collectively referred to as the “Related Parties”), has been extending, and may continue to extend, corporate guarantee and/or personal guarantees and/or other forms of credit support in favour of lenders to facilitate the borrowing requirements of ZNSHINE.

Accordingly, the proposed arrangement involving extension of corporate guarantee and/or personal guarantees and/or other forms of financial support by the Related Parties, for the benefit of ZNSHINE constitutes a related party transaction under the relevant provisions of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, considering the likely quantum of such support, the transactions shall qualify as a material related party transaction in terms of Regulation 23 of the SEBI Listing Regulations and the Company’s Policy on Related Party Transactions, thereby necessitating prior approval of the shareholders by way of an ordinary resolution.

Rationale/ benefits of the transaction

The corporate guarantee and/or personal guarantee proposed to be provided by the related parties for the loan to be availed by the ZNSHINE will enhance the subsidiary’s creditworthiness and facilitate timely access to funding. This is expected to result in more favourable borrowing terms, including lower interest costs. The arrangement supports the subsidiary’s capacity expansion and operational growth, thereby strengthening the overall EPC value chain. The Promoter’s sustained backing of the subsidiary is expected to reinforce its operational stability and growth, thereby driving stronger consolidated outcomes and fostering long-term value creation across the Company and its stakeholders.

Manner of Determination of Consideration

Corporate guarantee and/or personal guarantee propose to be provided by the related parties shall be extended on terms determined on an arm’s length basis, having regard to prevailing market practices and commercial

considerations applicable to similar guarantee arrangements. The terms of such guarantee are expected to be more favourable than those generally available from external lenders and third-party guarantors. In determining the same, due consideration shall be given to the overall commercial benefits to the Company, including optimization of the overall cost of borrowing and financial flexibility. However, such guarantee commission may be waived off by the Board of Directors of ZNSHINE, considering its growth requirements and in the interest of optimizing its borrowing costs. This is justified as the ZNSHINE is in a growth phase and the absence of guarantee commission avoids additional financial burden, thereby optimizing cost of borrowing. Further, the Promoter, being a significant shareholder of the Company, has a vested interest in the long-term growth and value creation of the Company and its subsidiary.

The Audit Committee and the Board of Directors have, on the basis of relevant details provided by the management in the prescribed format, to the extent applicable, as required by law, reviewed and approved the maximum limits of aggregate value of such proposed material RPTs as set out in the tables below and accorded their consent, subject to approval of the shareholders of the Company, for carrying out and continuing with existing contracts/ arrangements/ transactions or modification(s) of earlier contracts/arrangements/ transactions or as fresh and independent transaction(s) or otherwise between ZNSHINE and PFIPL, Mr. Kartik Teltia, and Mr. Rishabh Jain, related parties of ZNSHINE, in the ordinary course of business and at arms' length basis. The minimum disclosures as per RPT Industry Standards as presented to the Audit Committee and the Board is enclosed to this Notice.

The Audit Committee has also reviewed the certificate provided by Managing Director and Chief Financial Officer of the Company, as required under the RPT Industry Standards.

Further, as aforesaid, the Board of Directors have also recommended the proposal to the shareholders by way of an Ordinary Resolution.

The Members may note that in terms of the provisions of the SEBI Listing Regulations, no Related Party of the listed entity shall vote to approve this Ordinary Resolution, whether the listed entity is a Related Party to the particular transaction(s) or not.

Pursuant to the provisions of Regulation 23 of the SEBI Listing Regulations, a related party transaction above rupees one crore, whether entered into individually or taken together with previous transactions during a financial year, to which the subsidiary of a listed entity is a party but the listed entity is not a party, shall require prior approval of the audit committee of the listed entity if the value of such transaction above rupees one crore and

whether entered into individually or taken together with previous transactions during a financial year, exceeds the lower of the following:

- (i) ten percent of the annual standalone turnover of the subsidiary as per the last audited financial statements of the subsidiary; or
- (ii) the threshold for material related party transactions of listed entity as specified in Schedule XII of SEBI Listing Regulations.

and in the event any such Related Party Transaction exceeds the prescribed materiality thresholds of listed entity, prior approval of the shareholders of the listed entity shall also be required.

Further in terms of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Accordingly, the materiality threshold for seeking shareholders' approval of the Company for the related party transactions to which the subsidiary of a listed entity is a party but the listed entity is not a party is Rs. 54.48 crore (Rupees Fifty-Four Crore and Forty-Eight Lakh Only). The said limit is applicable even if the transactions are in the ordinary course of business and at an arm's length basis.

Further, as per Regulation 2(1)(zc) of the SEBI Listing Regulations, the definition of Related Party Transaction ('RPT') includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution No. 12 is placed for the approval of the Members of the Company

Background, details and benefits of the transaction

Kartik Solarworld Private Limited ("KSPL") is a wholly owned subsidiary of Solarworld Energy Solutions Limited ("the Company"/"Solarworld") and Pioneer Factor IT Infradevelopers Private Limited ("PFIPL"), Mr. Kartik Teltia, and Mr. Rishabh Jain, are related parties of KSPL in terms of the applicable provisions of the Companies Act, 2013 read with the applicable rules framed thereunder and Regulation 2(1)(zb) of the SEBI Listing Regulations.

KSPL is currently undertaking the development of a solar cell manufacturing plant as part of Solarworld's strategic backward integration initiative. The project is under implementation and, upon completion, is expected to strengthen the Company's value chain, enhance operational efficiencies, and provide greater control over the procurement and manufacturing of key components required for its solar business, thereby contributing to long-term value creation for the Solarworld group.

Given that the project is presently under development, KSPL requires substantial financial support for meeting its capital expenditure requirements, including costs associated with the establishment and commissioning of the solar cell manufacturing facility, as well as its working capital and other operational needs. In this regard, KSPL proposes to avail financial assistance from time to time from various lenders, including banks and financial institutions, for which appropriate credit support mechanisms may be required.

PFIPL, promoter entity of Solarworld and Mr. Kartik Teltia and Mr. Rishabh Jain, being directors of Solarworld and KSPL (collectively referred to as the “Related Parties”), may extend, from time to time, corporate guarantee and/or personal guarantees and/or other forms of credit support in favour of lenders to facilitate the borrowing requirements of KSPL.

Accordingly, the proposed arrangement involving extension of corporate guarantee and/or personal guarantees and/or other forms of financial support by the Related Parties for the benefit of KSPL constitutes a related party transaction under the relevant provisions of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, considering the likely quantum of such support, the transaction shall qualify as a material related party transaction in terms of Regulation 23 of the SEBI Listing Regulations and the Company’s Policy on Related Party Transactions, thereby necessitating prior approval of the shareholders by way of an ordinary resolution.

Rationale/ benefits of the transaction

The corporate guarantee and/or personal guarantee proposed to be provided by the Related Parties for the loan availed by the KSPL will enhance the subsidiary’s creditworthiness and facilitate timely access to project funding and working capital requirement. This is expected to result in more favourable borrowing terms, including lower interest costs. The arrangement supports the subsidiary’s project funding and operational growth, thereby strengthening the overall EPC value chain. It will also contribute to improved consolidated financial performance and long-term value creation for the subsidiary and its stakeholders.

The Promoter’s ongoing support to its subsidiary, which is expected to strengthen the subsidiary’s operations and, in turn, contribute positively to the overall performance and value of the Company.

Manner of Determination of Consideration

Corporate guarantee and/or personal guarantee propose to be provided by the Related Parties shall be extended on terms determined on an arm’s length basis, having regard to prevailing market practices and commercial considerations applicable to similar guarantee arrangements. The terms of such guarantee are expected to be more favourable than those generally available from external lenders and third-party guarantors. In determining the same, due consideration shall be given to the overall commercial benefits to the Company, including optimization of the overall cost of borrowing and financial flexibility.

However, such guarantee commission may be waived off by the Board of Directors of KSPL, considering its growth requirements and in the interest of optimizing its borrowing costs, considering the strategic importance of the proposed 1.2 GW TopCon solar cell manufacturing facility and in order to support KSPL in securing timely and cost-effective financing. The absence of consideration is in line with market practice where promoters extend support to group entities to enhance creditworthiness and facilitate better borrowing terms. The transaction is to be undertaken in the interest of the subsidiary, Company and its stakeholders and does not involve any outflow of resources from subsidiary and the Company.

The Audit Committee and the Board of Directors have, on the basis of relevant details provided by the management in the prescribed format, to the extent applicable, as required by law, reviewed and approved the maximum limits of aggregate value of such proposed material RPTs as set out in the tables below and accorded their consent, subject to approval of the shareholders of the Company, for carrying out and continuing with existing contracts/ arrangements/ transactions or modification(s) of earlier contracts/arrangements/ transactions or as fresh and independent transaction(s) or otherwise between KSPL and PFIPL, Mr. Kartik Teltia, and Mr. Rishabh Jain, related parties of KSPL, in the ordinary course of business and at arms’ length basis. The minimum

disclosures as per RPT Industry Standards as presented to the Audit Committee and the Board is enclosed to this Notice.

The Audit Committee had, on the basis of relevant details provided by the management, as required by law, reviewed and approved the said transaction, subject to approval of the shareholders of the Company.

The Audit Committee has reviewed the certificate provided by Managing Director and Chief Financial Officer of the Company, as required under the RPT Industry Standards.

Further, as aforesaid, the Board of Directors have also recommended the proposal to the shareholders by way of an Ordinary Resolution.

The Members may note that in terms of the provisions of the Listing Regulations, no Related Party of the listed entity shall vote to approve this Ordinary Resolution, whether the listed entity is a Related Party to the particular transaction(s) or not.

Item No. 13

Pursuant to the provisions of Regulation 23 of SEBI Listing Regulations, , a related party transaction above rupees one crore, whether entered into individually or taken together with previous transactions during a financial year, to which the subsidiary of a listed entity is a party but the listed entity is not a party and such subsidiary does not have audited financial statements for a period of at least one year, shall require prior approval of the audit committee of the listed entity if the value of such transaction, exceeds the lower of the following:

- (i) ten percent of the aggregate value of paid-up share capital and securities premium account of the subsidiary; or
- (ii) the threshold for material related party transactions of listed entity as specified in Schedule XII of SEBI Listing Regulations.

and in the event any such Related Party Transaction exceeds the prescribed materiality thresholds of listed entity, prior approval of the shareholders of the listed entity shall also be required.

Further in terms of Regulation 23 of the SEBI Listing Regulations, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds the thresholds specified in Schedule XII of SEBI Listing Regulations. Further as per Schedule XII of SEBI Listing Regulations, where the annual consolidated turnover of the Company is up to Rs. 20,000 crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds 10% (ten percent) of the annual consolidated turnover of the Company as per its last audited financial statements. Accordingly, the materiality threshold for seeking shareholders' approval of the Company for the related party transactions to which the subsidiary of a listed entity is a party but the listed entity is not a party is Rs. 54.48 crore (Rupees Fifty-Four Crore and Forty-Eight Lakh Only). The said limit is applicable even if the transactions are in the ordinary course of business and at an arm's length basis.

Further, as per Regulation 2(1)(zc) of the SEBI Listing Regulations, the definition of Related Party Transaction ('RPT') includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Accordingly, Resolution No. 13 is placed for the approval of the Members of the Company

Background, details and benefits of the transaction

Solarworld BESS ONE Private Limited ("BESS"), a wholly owned subsidiary of Solarworld Energy Solutions Limited ("the Company"/"Solarworld"), and Pioneer Facor IT Infradevelopers Private Limited ("PF IPL"), Mr. Kartik Teltia, and Mr. Rishabh Jain, are related parties of BESS, in terms of the provisions of the Companies Act, 2013 read with the rules made thereunder and Regulation 2(1)(zb) of the SEBI Listing Regulations.

BESS is engaged in the business of procuring, storing, and managing energy from renewable and non-renewable sources using advanced battery technologies, including lithium-ion and other emerging energy storage systems.

The entity also undertakes the transmission, distribution, and supply of such stored energy to households, industrial, commercial, and other consumer, thereby playing a key role in efficient energy management and grid support.

In furtherance of business expansion and operational requirements, BESS may avail financial assistance, including term loans, working capital facilities, or other credit arrangements, from banks, financial institutions, or other lenders. In connection with such borrowings, PFIPL, being a promoter entity of Solarworld and Mr. Kartik Teltia and Mr. Rishabh Jain, Promoters and Directors of Solarworld and BESS (collectively referred to as the “Related Parties”), may provide, from time to time, corporate guarantee and/or personal guarantee and/or other forms of credit support in favour of lenders to facilitate the borrowing requirements of BESS. Such financial arrangements will enable the BESS to scale its infrastructure, adopt advanced energy storage technologies, and enhance its service capabilities. This, in turn, is expected to strengthen the BESS’s market position, improve revenue generation, and create sustainable long-term value, thereby benefiting both BESS and Solarworld through enhanced financial performance, stability, and growth prospects.

Accordingly, the proposed arrangement involving extension of corporate guarantee and/or personal guarantees and/or other forms of financial support by the Related Parties for the benefit of BESS constitutes a related party transaction under the relevant provisions of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, considering the likely quantum of such support, the transaction shall qualify as a material related party transaction in terms of Regulation 23 of the SEBI Listing Regulations and the Company’s Policy on Related Party Transactions, thereby necessitating prior approval of the shareholders by way of an ordinary resolution.

Rationale/ benefits of the transaction

The corporate guarantee and/or personal guarantee proposed to be provided by the Related Parties for borrowings to be availed by the BESS will enhance its credit profile and enable timely access to funding for implementation of the Standalone 125 MW / 250 MWh BESS project in Rajasthan under the Build-own-operate (“BOO model”) and 200 MW/400 MWh BESS project in Gujarat. This is expected to result in more favourable financing terms, including reduced interest costs. The support will facilitate successful execution and stabilization of the projects, strengthen the subsidiary’s presence in the energy storage segment, and contribute to improved consolidated financial performance and long-term value creation for stakeholders.

Manner of Determination of Consideration

Corporate guarantee and/or personal guarantee propose to be provided by the related parties shall be extended on terms determined on an arm’s length basis, having regard to prevailing market practices and commercial considerations applicable to similar guarantee arrangements. The terms of such guarantee are expected to be more favourable than those generally available from external lenders and third-party guarantors. In determining the same, due consideration shall be given to the overall commercial benefits to the Company, including optimization of the overall cost of borrowing and financial flexibility. However, such guarantee commission may be waived off by the Board of Directors of BESS, considering its growth requirements and in the interest of optimizing its borrowing costs and in order to support BESS in securing timely and cost-effective financing for its projects. The absence of commission/charges is in line with prevailing market practice where promoters extend financial support to group entities to enhance creditworthiness and obtain better borrowing terms. The transaction is to be undertaken in the interest of the subsidiary, Company and its stakeholders and does not involve any outflow of resources from the subsidiary and the Company.

The Audit Committee and the Board of Directors have, on the basis of relevant details provided by the management in the prescribed format, to the extent applicable, as required by law, reviewed and approved the maximum limits of aggregate value of such proposed material RPTs as set out in the tables below and accorded their consent, subject to approval of the shareholders of the Company, for carrying out and continuing with existing contracts/ arrangements/ transactions or modification(s) of earlier contracts/arrangements/ transactions or as fresh and independent transaction(s) or otherwise between BESS and PFIPL, Mr. Kartik Teltia, and Mr. Rishabh Jain, related parties of BESS, in the ordinary course of business and at arms' length basis. The minimum disclosures as per RPT Industry Standards as presented to the Audit Committee and the Board is enclosed to this Notice.

The Audit Committee had, on the basis of relevant details provided by the management, as required by law, reviewed and approved the said transaction, subject to approval of the shareholders of the Company.

The Audit Committee has reviewed the certificate provided by Managing Director and Chief Financial Officer of the Company, as required under the RPT Industry Standards.

Further, as aforesaid, the Board of Directors have also recommended the proposal to the shareholders by way of an Ordinary Resolution.

The Members may note that in terms of the provisions of the Listing Regulations, no Related Party of the listed entity shall vote to approve this Ordinary Resolution, whether the listed entity is a Related Party to the particular transaction(s) or not.

Except as mentioned in the RPT Industry Standards table, none of the other Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, either directly or indirectly in passing of the aforesaid resolution as set out in Item no. 13 of this Postal Ballot Notice, save and except to the extent of their respective interest as shareholders of the Company.
